PALLAVI SHASTRI

VISUAL DESIGNER

Visual designer with 6 years of experience turning ideas into clear, engaging visual experiences across digital, print, and product. Curious by nature, I enjoy understanding the problem, exploring possibilities, and finding simple ways to make design more meaningful.

WORK EXPERIENCE

Solutions Centric Global

2025- Present ***(Visual Designer)***

Diverse visual communication projects, including social media, advertising, print, office branding, and WordPress websites. Collaborate with clients and internal teams to understand requirements, develop creative concepts, and deliver effective design solutions. Experienced in client management, presenting ideas, handling feedback, and coordinating design teams, delegating tasks, and overseeing projects from concept to final execution while ensuring quality, timely delivery, and brand consistency.

Freelancing

2024-2025 ***(Visual Designer)***

Experienced in managing diverse client projects across social media, email marketing, and UI design, overseeing the creative process from conceptualisation to final delivery. Skilled in client relationship management, understanding business objectives, managing expectations, and maintaining clear communication throughout the project lifecycle. Adept at presenting creative solutions, incorporating feedback, resolving concerns, and building long-term client relationships while ensuring high-quality, timely deliverables aligned with business goals.

ZSPL Pvt Ltd

2022-2023 ***(Graphic Designer)***

Managed client relationships and collaborated with internal stakeholders across social media, email marketing, newsletters, UI design, and internal communications. Handled client communication, project briefs, creative presentations, and feedback cycles while coordinating design teams, delegating tasks, and overseeing project delivery. Ensured effective collaboration, timely execution, and high-quality design solutions aligned with client expectations and business objectives.

Vserv Digital Pvt Ltd

2020-2022 ***(Graphic Designer)***

Worked on digital campaigns for multiple clients, creating interactive ads, social media creatives, web banners, and other digital marketing assets. Collaborated directly with clients to understand campaign objectives, interpret briefs, develop creative concepts, and refine designs based on feedback. Managed multiple projects simultaneously while ensuring work remained engaging, brand-consistent, and aligned with campaign goals.

WE3 Solutions Pvt Ltd

2019-2020 ***(Graphic Designer)***

Started my professional design journey working across social media campaigns, emailers, website templates, and mobile UI. Built a strong foundation in visual communication, typography, layout, and digital design while learning to adapt creative work to different brands, formats, and audience needs. Developed the ability to turn briefs into clear, engaging, and practical visual solutions.
